

Yale Career Network Student User Guide

Welcome to the Yale Career Network! This guide is intended to help current Yale Students register for the Yale Career Network (YCN) and navigate the network in its new platform, Symplicity. To get started, below are helpful instructions, including screenshots. If you have questions about your Yale Career Network registration being approved, please contact your school's career services office. Click [here](#) to view a listing of the Career Services Offices for each of Yale's Schools. For specific questions about using the Yale Career Network, please email career.network@yale.edu or call 203-432-0805 and ask for Stephanie Glover in [Yale's Office of Career Strategy](#).

Get Started

Students who have their username and password can proceed to the link below: <https://yalecareer-csm.symplicity.com/students> and enter their information on the left hand side. If you have forgotten your password, select the "Forgot Password" button located right next to the Reset button.

For students who do not have their username and password, you first must register in the system by selecting the "Current Student Registration" button located on the right hand side.

The screenshot shows a web browser window with the URL <https://yalecareer-csm.symplicity.com/students/>. The page features the Yale logo and a "Sign in" section. On the left, under "Log In", there are fields for "Username (your email address)" and "Password", along with "Go", "Reset", and "Forgot Password" buttons. On the right, under "Current Student Registration", there is a "Current Student Registration" button and a graphic of a hand clicking a computer monitor. The page also includes a "software by symplicity" logo in the top right corner.

Student Registration Form

Students will be asked to complete a very short registration form which asks for their phone number, address, the Yale school they are attending, their expected graduation date and their NetID.

Email Verification Message

The following email will then be sent in order for students to confirm that someone with their Yale email address has requested access.

From: career.network@yale.edu [mailto:career.network@yale.edu]

Sent: Friday, June 26, 2015 7:13 AM

To: student email address

Subject: Yale Career Network Email Verification

Dear First Name,

Someone has requested an account with your email address in the Yale Career Network (<https://yalecareer-csm.simplicity.com/>). For security purposes, this request cannot be processed without this email address verification step.

Please visit the link below to confirm your email address.

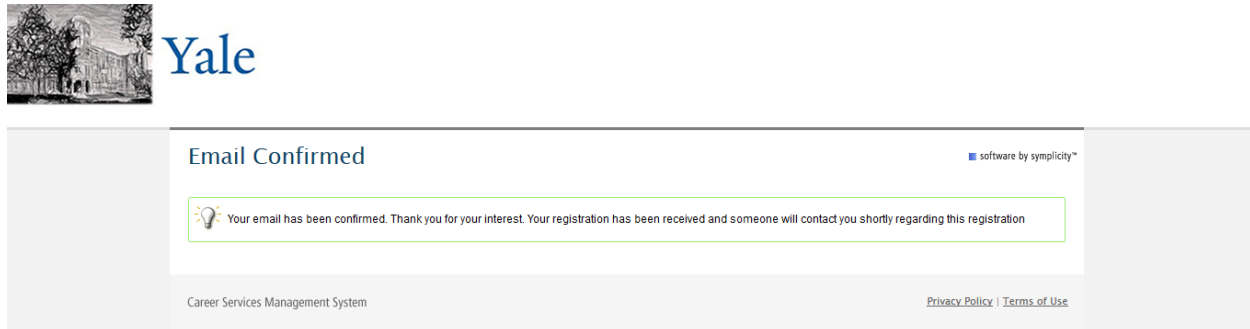

https://yalecareer-csm.simplicity.com/students/conf_reg_email.php?ck=0ebbe703ce98a0d10fdc34c405017e03

Otherwise, please ignore this message. If you believe this message might be the result of a security breach, please alert the Simplicity administrator(s) immediately by replying to this email.

Thank you,
Office of Career Strategy

Email Confirmed

Once you select the link above to confirm your email address, the following screen will appear.

Registration Approved

As mentioned earlier, each school has a designated administrator who will be approving your registration.

Once your school's administrator has approved your registration, you will receive the following email:

From: career.network@yale.edu [mailto:career.network@yale.edu]

To: student email address

Subject: Yale Career Network Student Registration Confirmed

June 26, 2015, 7:29 am

Your registration for a new account in the Yale Career Network has been received and processed.

Your contact information appears in our records as follows:

Full Name

Email Address

Phone Number

Please log into the Symplicity web site to review or make changes:

<https://yalecareer-csm.symplicity.com/students>

Your username is: Your Yale Email Address

Please click on this link to create a password: [Set Your Password](#)

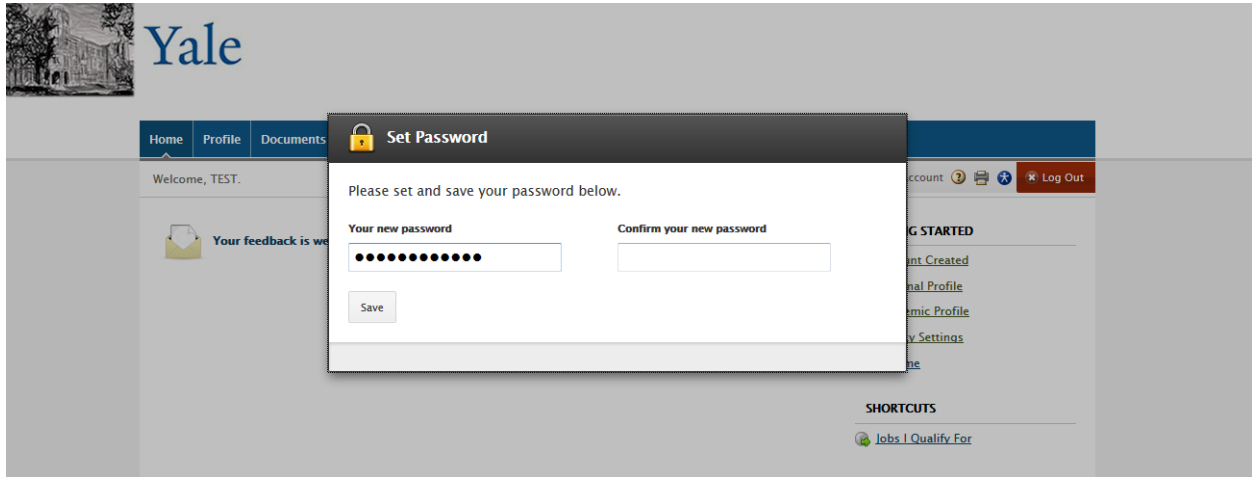

NOTE: This link will expire in 24 hours. After this time, you can use the "Forgot Password" button to reset this link and set your password.

Sincerely,

Office of Career Strategy

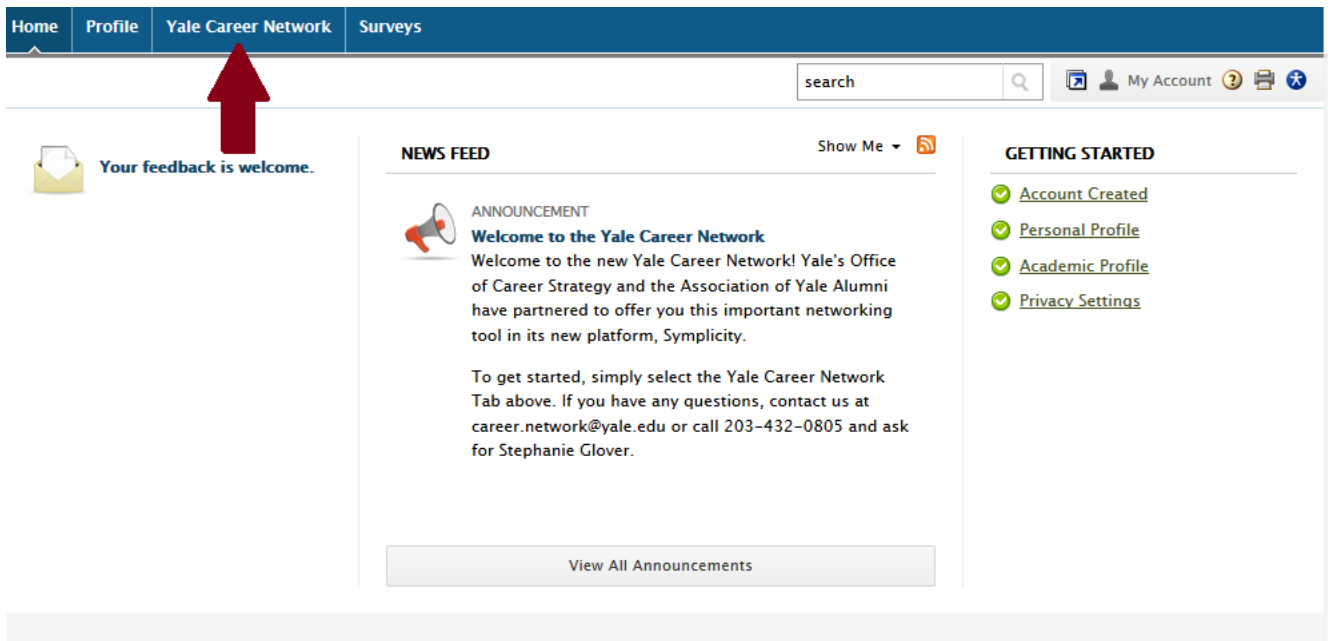

Setting Your New Password

The following screen will appear and allows the user to set a new password. Enter your new password in both fields below and select Save. Once your new password is saved, the home page will appear and you can start using the system by selecting the Yale Career Network Tab.

Accessing the Yale Career Network

Once you have access to the system, you can select the Yale Career Network from the top toolbar.

Searching the Yale Career Network

The “Search the Yale Career Network” Tab lists all of the active alumni in the system. To select an alum in the system and read more about their profile, simply click on their name. In order to search by additional filters, select the “More Options” button.

This screenshot shows the top navigation bar with 'Home', 'Profile', 'Yale Career Network', and 'Surveys'. Below the navigation bar is a breadcrumb trail: 'Home > Yale Career Network > Search The Yale Career Network'. A search bar contains the word 'search'. In the top right corner, there are icons for 'My Account', a help icon, a printer icon, and a star icon. The main heading is 'Yale Career Network' with the text 'software by simplicity™' to its right. A light blue box contains three instructional messages: 'Select "MORE OPTIONS" under Keywords to use additional filters when searching.', 'The DETAILED SEARCH TAB offers additional filters for your search.', and 'Select the INTERESTED BUTTON when you are ready to send a message to an alum.' Below this is a sub-navigation bar with 'Search the Yale Career Network', 'Favorites', 'Detailed Search', and 'Saved Searches'. The search area includes a 'Keywords' input field with a dropdown arrow, and a note: 'searches name, email address, phone, graduation date, and job title'. Below the input field are three buttons: 'More Options', 'Search', and 'Clear'. A large red arrow points to the 'More Options' button.

This screenshot shows the same search interface as above, but with the 'More Options' button expanded. The sub-navigation bar remains the same. The search area now includes several filter options: 'Expressed Interest' with radio buttons for 'yes', 'no', and 'ignore' (selected); 'Work Experience: State' with a dropdown menu showing '[select]'; 'Industry' with a dropdown menu; 'Employer' with an input field; 'Search Employment' with radio buttons for 'All Employment', 'Current', and 'Prior'; 'Work Experience: City' with an input field; 'Work Experience: Country' with a dropdown menu showing '[select]'; 'Job Title' with an input field; and 'Job Function/Role' with a dropdown menu. At the bottom of the expanded search area are three buttons: 'Less Options', 'Search', and 'Clear'. A large red arrow points to the 'Less Options' button.

Detailed Search

If you would like to use additional filters and search for multiple items (use the control key), go to the **Detailed Search Tab** pictured below.

To add a YCN participant to your favorites list, click the star to the left of his/her name.

To send a message to a YCN participant, select Interested.

Contacting a Yale Career Network Participant

When you click the Interested Button, the following pop up appears. The system will send your message to the YCN participant. You will not be able to see their email address until they respond to you from their email.

The image shows a screenshot of a web browser window titled "ProNet Message". The window has a dark blue header bar with the text "ProNet Message" and a close button (X) on the right. Below the header, there is a text input area with a light blue border. The text inside the input area reads: "Please enter the message below to the Yale Career Network Alumnus/a:". The input area is currently empty. To the right of the input area, there is a vertical scrollbar with an upward-pointing arrow at the top and a menu icon (three horizontal lines) at the bottom.

We hope you have found this user guide helpful. If you have additional questions, or suggestions on ways we can improve this guide, please email career.network@yale.edu. Thank you and welcome to the network!
