Volunteers needed for tax preparation program

Volunteers are needed to provide tax preparing services in the Yale New Haven Hospital Pediatric Primary Care Center. No prior tax knowledge is needed to participate.

Volunteers will help low-income, working families, individuals with disabilities and non-native English speakers who need assistance preparing tax returns.

Volunteers are required to:
- Complete an online or in-person tax preparation training course
- Receive IRS certification
- Flexible scheduling commitment around your schedule from late January through mid-April 2020

This program is offered through StreetCred New Haven and Volunteer Income Tax Assistance (VITA)

Anyone interested in becoming a volunteer may contact StreetCredNHV@gmail.com or leslie.sude@yale.edu
